Catholic Women of the Year

The Vermont State Catholic Daughters of the Americas will recognize one Catholic Daughter in each local court at the 49th Biennial Convention being held on April 29 at Our Lady of Angels in Randolph. Each member of your court is encouraged to individually nominate a Catholic Daughter from your court who she feels is worthy of recognition. All nominations are to be given to your chaplain who should read all nominations and words of support then make a decision as to which woman should be recognized from the court. Once the decision is made, the chaplain should keep the name confidential. He should forward the winner's name along with the nomination form and words of support to Debbie Brown, 2nd vice regent, at dgbrown264@gmail.com by April 1. Should more than one nomination be made for the same person, the chaplain should send all forms and support.

Each woman selected from the six local courts will be recognized at the convention. Therefore, regents should encourage all members to attend to see who from their court is named as the recipient of the recognition award.

Please contact me by email or phone if you have questions about this recognition award.

In Unity and Charity,

Debbie

Debbie Brown
2nd Vice Regent
